This story has now been told in "PATTERN OF PROGRESS"—produced by the Government of Saskatchewan.

This is a 29-minute, 16 mm colour movie with sound. It is available for community programs where no admission is charged.

## Thanks . . .

The Saskatchewan Association of Music Festivals and also the local Festival Executive tender their sincere thanks to the managing boards of Knox-Metropolitan United Church, Scott Collegiate, Canadian Legion Memorial Hall, First Baptist Church and St. Paul's Parish Hall, Darke Hall, for permission to use their buildings. Without them it would hardly be possible to hold the Festival in Regina.

Our thanks are due to Heintzman & Co., who have loaned the Heintzman pianos being used at the Festival buildings. The Association is not a money-making organization, and assistance such as the above aids our operations.

The Regina Branch, Saskatchewan Association of Music Festivals, wishes to thank the University of Saskatchewan and the Saskatchewan Arts Board, for the financial assistance extended to the Association.

*Tone*

Elgin Model

Listen to your favourite music played on a Heintzman. Every passage comes alive with the clarity, the passion and power which the composer intended. Heintzman tone is unsurpassed for purity and resonance.

Only in this instrument will you find the exclusive tone feature developed by generations of skilled craftsmen . . . the Agraffe Bridge.

A Heintzman upright includes the features of a grand piano, in vertical form. Built with the same exacting precision and responsive action that has delighted world-famed concert artists.

## JAN VAN DER GUCHT

This will be Jan Van der Gucht's third visit as vocal adjudicator. He was born in England and educated at Forest School. He obtained his first professional engagement after an audition with the BBC and it was with the BBC a year or so later that he was engaged to sing the Tenor lead in "A Village Romeo and Juliet" by Delius, with Sir Thomas Beecham conducting. This led to BBC work of many kinds, including recitals, Oratorio and Opera.

This was followed by engagements with the Royal Choral Society, the Halle and the Huddersfield Choral Society, the Liverpool Philharmonic and the Bach Choir and most of the Choral Societies and Music Clubs throughout the British Isles.

## SIDNEY HARRISON

Mr. Harrison has had two previous adjudicating tours across Canada.

He has been in front of the public from the age of 13, when he appeared at Queen's Hall.

He trained at the Guildhall School of Music and Drama, where, when still in his early twenties, was appointed a professor on the staff. Over the years he built up an enviable reputation as a pianist.

During World War II, he led a busy life, playing and conducting along with Civil Defense duties, and travelling at the request of the Educational Department of the Armed Forces.

Since 1949 has also been active on British Radio and Television, playing and lecturing.

Mr. Harrison is very much in demand as a recitalist and lecture-recitalist, possessing a huge repertoire from which to build programs.

		Lo, What it is to Love	Gertrude Innes

Lord Tremulo had seven sons,  
And each one had a piano,  
But not one of those wicked boys  
Kept to the straight and narrow.

Hot Jazz and Rock 'n' Roll were heard  
Each morning, noon and night;  
The servants used to shake their heads—  
It really was not right.

His Lordship took to drinking and  
Her Ladyship to bed.  
The Butler had a brain-wave and  
To PATERSONS he sped.

Next day each Honourable Lad  
Received a different parcel,  
(The seven graded HUNDRED BEST)—...  
—And peace reigned o'er the Castle.
